TOURIST ATTRACTIONS:

TAICHUNG

- ◆ **Glass Temple + Golden Tunnel Maze** - Admire countless glass artworks and visit the only Glass Matsu Temple in Taiwan. Additionally, there's the "Golden Tunnel" maze made from glass mirrors. Under the effects of refraction and colourful lighting, it creates a dazzling, mysterious, and surreal experience. In the exhibition area, in addition to showcasing various glass art pieces, the Golden Tunnel is an especially breathtaking feature and a must-see attraction for visitors!

JIAYI

- ◆ **Three Little Pigs Leisure Farm** - As people become more distanced from animals, this farm was created to bring visitors closer to nature by offering opportunities to interact with animals. Named after the familiar "Three Little Pigs," the farm aims to provide a rich, diverse natural environment, allowing people to enjoy hands-on experiences with animals, even in an increasingly urbanized world. It serves as a natural classroom for children, a place to explore the mysteries of nature, understand the ecology of plants and animals, and foster family bonding. It is a fun paradise for kids and a great way to reconnect with nature.

NANTOU

- ◆ **Sun Moon Lake Scenic Area** - It is the largest lake in Taiwan, named Sun Moon Lake because its shape resembles the sun and the moon. Surrounded by mountains, the lake offers stunning views and is ideal for cycling, boat rides, and walking along scenic trails. It is a perfect place to enjoy both nature and culture.

TAIPEI

- ◆ **Jiufen Old Street** - Is a nostalgic tourist destination, known for its ancient streets, traditional shops, and beautiful mountain and sea views. Originally a gold mining town, Jiufen gradually transformed into a popular tourist spot as the gold mines declined. Visitors can wander through the narrow streets, taste local snacks (such as taro balls and grass cake), and purchase handmade crafts, all while experiencing the rich atmosphere of an old street.
- ◆ **Taipei 101 Shopping Mall** - This iconic skyscraper, the tallest in Taiwan, houses a five-story large shopping mall and occupies seven floors of the building, including the Taiwan Stock Exchange. Visitors can also opt to pay for an elevator ride to the observatory on the 89th floor for breathtaking views of the city.
- ◆ **Ximending** - Is a vibrant shopping and entertainment district in Taipei, known for its mix of modern and traditional styles. It's popular for its shops, restaurants, cafes, street art, and lively nightlife, making it a perfect spot to experience the city's culture and enjoy food and shopping
